

TESTIMONIALS

We were lucky to have the most fantastic wedding planner on board, Tom Goodwin of Collective Minds . I'd worked with Tom on some corporate events in the past, we got on well and knew that whatever fantastic things we wanted, he'd get them.

I just wanted to write and congratulate you on transforming the interior of the London showroom in so much style and completely on brief. The modern environment worked perfectly with the car and i think it looked amazing.

During the time I was at the showroom it was clearly attracting attention and I understand that the results in terms of orders have been very positive. So a huge thank you for all your efforts and as a concept I think we may have found an interesting solution to our launches for the future.

“I don’t often write ‘Oscar acceptance speech’ type email but this one calls for some feedback. This morning my phone’s been buzzing, to the point of putting it on charge, with texts and calls like...

‘Brilliant party – thanks’

‘Wicked party – thanks’

‘Thank you so much for a brilliant night’

‘The food was truly amazing...and I’m addicted to cocktails...I’m off beer!’

These people aren’t new to the game, they are event organisers. For such a barrage of compliments with clients with sore heads I’m chuffed to say the least...what we pulled off to surpass the previous events.

Awesome, Awesome, Awesome! The food surpassed my imagination; the drink enhanced my imagination, the coffee kept me smiling. The professionalism of you and your team was genuinely talked about all night and all day on the phone today. Thank you so much. Awesome!”
